## Magazine readership and circulation statement

APRIL 2023 - NORTH AMERICAN EDITION

**B**usiness Air News is the world's leading magazine for business aircraft owners, and is published monthly in printed and digital formats.

Its unique blend of North American business aviation news is published via web and email throughout the year, and the North America printed edition is published four times a year. It is distributed to our own proprietary and exclusive database of owners and operators or business jets, turboprops, cabin-class twins and twin turbine helicopters throughout the region, as well as other leading business aviation professionals.

We also publish eight editions a year for Europe, the Middle East and Africa, and statements for these issues can be downloaded from [www.businessairnews.com](http://www.businessairnews.com).

Our meticulous attention to detail in ensuring that we research owners and operators of every aircraft ensures market-leading impact and value-for-money for our advertisers.
